Re: Case No. 2010-00094

Dear Mr. Derouen:

Northern Kentucky Water District has given its notice of intent to file a general rate increase application. It expects to file that application the last week of May. 807 KAR 5:001, Section 8(2) requires the filing of the original and ten paper copies of all applications and other documents that are part of the case. Northern requests a deviation from the regulation to allowed it to file and serve all documents in this case in electronic medium only for both filing and service purposes.

If you have any questions about this matter, please contact me.

Very truly yours,  
  
John N. Hughes  
Attorney for Northern Kentucky  
Water District
